It is for sure you will get wet therefore you need change of cloths. We recommend you change to your rafting gear before and at the end of ride change to dry cloths. We have changing rooms both at put in point and finishing point. We suggest you should take a ride in shorts and T shirt and water proof foot-ware

Raft Guides

Our Raft guides are very professional. They learn rafting from the very childhood on the world famous rivers of Nepal. After working as assistant raft guides for years they eventually qualify as a raft guide under own tourism board who provide then licences for running rafting trips. Their training includes first aid and rescue operation as well. Our raft guide have great sense of humour. They always give you a short briefing before starting a trip for any eventuality
